PROXY STATEMENT

FOR THE 2017 ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD June 20, 2017

EXPLANATORY NOTE

We are an “emerging growth company” under applicable federal securities laws and therefore permitted to take advantage of certain reduced public company reporting requirements. As an emerging growth company, we provide in this proxy statement the scaled disclosure permitted under the Jumpstart Our Business Startups Act of 2012 (the “JOBS Act”), including the compensation disclosures required of a “smaller reporting company,” as that term is defined in Rule 12b-2 promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). In addition, as an emerging growth company, we are not required to conduct votes seeking approval, on an advisory basis, of the compensation of our named executive officers or the frequency with which such votes must be conducted. We will remain an emerging growth company until the earliest of (i) the last day of the fiscal year in which we have total annual gross revenues of \$1.07 billion or more; (ii) December 31, 2020; (iii) the date on which we have issued more than \$1 billion in nonconvertible debt during the previous three years; or (iv) the date on which we are deemed to be a large accelerated filer under the rules of the Securities and Exchange Commission (the “SEC”).

As used in this proxy statement, the “Company,” “we,” “us” and “our” refer to Inotek Pharmaceuticals Corporation.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

When and where is our Annual Meeting?

We will hold our Annual Meeting on June 20, 2017 at 8:30 a.m. local time, at Aloft Lexington, 727 Marrett Road – A, Lexington, MA 02421. The term “Annual Meeting,” as used in this proxy statement, includes any adjournment or postponement of such meeting.

Why am I receiving these materials?

We have sent you this proxy statement and the enclosed proxy card because the Board is soliciting your proxy to vote at the 2017 Annual Meeting. This proxy statement and proxy card is being mailed to stockholders on or about May 3, 2017.

Who can vote at the Annual Meeting?

Only stockholders of record as of the close of business on April 21, 2017, will be entitled to vote at the Annual Meeting. On this date, there were 26,986,318 shares of common stock issued and outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on April 21, 2017, your shares were registered directly in your name with our transfer agent, Continental Stock Transfer & Trust, then you are a stockholder of record. As a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting, we urge you to fill out and return the enclosed proxy card by mail or vote by proxy over the telephone or the Internet as instructed below to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on April 21, 2017, your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by that organization. The organization holding your account is

considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. Simply complete and mail the proxy card and voting instructions to ensure that your vote is counted. Alternatively, you may vote by telephone or over the Internet as instructed by your broker or bank, if applicable. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank, or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of our outstanding shares entitled to vote at the Annual Meeting are present at the Annual Meeting in person or represented by proxy. Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the Annual Meeting or vote by proxy over the telephone or the Internet as instructed below. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the chairperson of the Annual Meeting or the holders of a majority of shares present at the Annual Meeting in person or represented by proxy may adjourn the Annual Meeting to another date.

What am I voting on and how many votes are needed to approve each proposal?

Proposal 1: Election of Directors. The directors will be elected by a plurality of the votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote on the election of the directors. Plurality means that the individuals who receive the largest number of “FOR” votes cast are elected as directors up to the maximum number of directors to be chosen at the Annual Meeting. Accordingly, the three nominees receiving the most “FOR” votes will be elected as directors. If you “withhold” your vote with respect to one or more of the nominees, your shares will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal.

Proposal 2: Ratification of Appointment of Independent Registered Public Accounting Firm. The ratification of RSM US LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017, will require “FOR” votes from a majority of the votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote on this proposal.

Abstentions and “broker non-votes” will not be counted as votes cast and will have no effect on the voting on the proposals referenced above.

What are broker non-votes?

Broker non-votes occur when a beneficial owner of shares held in “street name” does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed “non-discretionary.” Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker or nominee holding the shares. If the beneficial owner does not provide voting instructions, the broker or nominee may vote the shares with respect to matters that are considered to be “discretionary,” but may not vote the shares with respect to “non-discretionary” matters. The election of the directors (Proposal 1) is considered “non-discretionary” under applicable rules. The ratification of the appointment of our independent registered public accounting firm (Proposal 2) is a matter considered “discretionary” under applicable rules.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of April 21, 2017.

What does it mean if I receive more than one proxy card?

You may receive more than one proxy card if your shares are registered in more than one name or are registered in different accounts. Please vote in the manner described below under “How do I vote?” for each proxy card to ensure that all of your shares are voted.

How does the Board recommend that I vote my shares?

Unless you give other instructions on your proxy card, the persons named as proxies on the card will vote in accordance with the recommendations of the Board. The Board’s recommendation is set forth together with the description of each item in this proxy statement. The Board recommends a vote:

- “FOR” the election of the nominees to the Board; and
- “FOR” the ratification of the appointment of RSM US LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017.

With respect to any other matter that properly comes before the Annual Meeting, the proxies will vote as recommended by the Board or, if no recommendation is given, in their own discretion in the best interest of the Company and its stockholders. As of the date of this proxy statement, the Board had no knowledge of any business other than that described herein that would be presented for consideration at the Annual Meeting.

How do I vote?

You may vote (1) “FOR ALL,” to vote for all three nominees to the Board; (2) “WITHHOLD ALL,” to withhold your vote from all three nominees to the Board, or (3) “VOTE FOR ALL EXCEPT” to withhold authority to vote for any individual nominee(s). For the other matter to be voted on, you may vote “FOR” or “AGAINST,” or you may “ABSTAIN” from voting. The procedures for voting are as follows:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may (a) vote in person at the Annual Meeting or (b) vote by proxy. Whether or not you plan to attend the Annual Meeting, we urge you to fill out and return the enclosed proxy card by mail or vote by proxy over the telephone or the Internet as instructed below to ensure your vote is counted. You may still attend the Annual Meeting and vote in person even if you have already voted by proxy, as described under “May I change my vote after submitting my proxy card?” below.

- To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.
- To vote by proxy, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, the designated proxy holders will vote your shares as you direct.
- To vote over the telephone, dial toll-free 1-800-690-6903 using a touch-tone phone and follow the recorded instructions. You will be asked to provide the company number and account number from the enclosed proxy card. Your vote must be received by 11:59 P.M., Eastern Time on June 19, 2017, to be counted.
- To vote on the Internet, go to www.proxyvote.com to complete an electronic proxy card. You will be asked to provide the company number and account number from the enclosed proxy card. Your vote must be received by 11:59 P.M., Eastern Time on June 19, 2017, to be counted.

If you sign the proxy card but do not make specific choices, your proxy will vote your shares “FOR” the three nominees to the Board and “FOR” the ratification of RSM US LLP as our independent registered public accounting firm.

If any other matter is presented, the proxies will vote as recommended by the Board or, if no recommendation is given, in their own discretion in the best interest of the Company and its stockholders. As of the date of this proxy

statement, we know of no other matters that may be presented at the Annual Meeting, other than that listed in the Notice of Annual Meeting of Stockholders.

Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Other Agent

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from us. Simply complete and mail the proxy card and voting instructions to ensure that your vote is counted. Alternatively, you may vote by telephone or over the Internet as instructed by your broker, bank or other agent, if applicable. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker, bank or other agent included with these proxy materials, or contact your broker, bank or other agent to request a proxy form.

May I change my vote after submitting my proxy card?

Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting. If you are the stockholder of record of your shares, you may revoke your proxy in any one of the following four ways:

- send a timely written revocation of the proxy to our Secretary;
- submit a signed proxy card bearing a later date;
- enter a new vote over the Internet or by telephone; or
- attend and vote in person at the Annual Meeting.

If your shares are not registered in your own name, you will need the appropriate documentation from the stockholder of record to vote personally at the Annual Meeting. If your shares are held by your broker, bank or another party as a nominee or agent, you should follow the instructions provided by such party. Your personal attendance at the Annual Meeting does not revoke your proxy. Your last vote, prior to or at the Annual Meeting, is the vote that will be counted.

Who will bear the expense of soliciting proxies?

We will bear the cost of solicitation of proxies, including preparation, assembly, printing and mailing of this proxy statement, the proxy card and any additional information furnished to stockholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of our common stock beneficially owned by others to forward to such beneficial owners. We may reimburse persons representing beneficial owners of our common stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by mail may be supplemented by solicitation by telephone, via the Internet or in person by our directors, officers or other regular employees. No additional compensation will be paid to directors, officers or other regular employees for such services.

How can I find the voting results from the Annual Meeting?

Preliminary voting results will be announced at our Annual Meeting. Final voting results will be published in a Current Report on Form 8-K that we expect to file no later than four business days after the Annual Meeting. If final voting results are not available by the time we file the Form 8-K, we will disclose the preliminary results in the Form 8-K and, within four business days after the final voting results are known to us, file an amended Form 8-K to disclose the final voting results.

PROPOSAL 1

ELECTION OF DIRECTORS

Our Board currently is comprised of eight directors. Our amended and restated certificate of incorporation provides for a classified Board consisting of three classes of directors, each of which shall consist, as nearly as may be possible, of one-third of the total number of directors. Currently, two classes consist of three directors and one class consists of two directors. Each class serves a staggered three-year term. At each annual meeting of stockholders, the successors to directors whose terms then expire will be elected to serve from the time of election and qualification until the third annual meeting following their election. The terms of our Class III directors, Timothy Barberich, Paul G. Howes and Patrick Machado, will expire at the Annual Meeting, and the terms of our Class I directors and Class II directors will expire at the annual meeting of stockholders to be held in 2018 and 2019, respectively. Upon the recommendation of the nominating and corporate governance committee, our Board has nominated Timothy Barberich, Paul G. Howes and Patrick Machado for re-election as Class III directors at the Annual Meeting. Proxies cannot be voted for a greater number of individuals than the number of nominees.

There are no arrangements or understanding between any director, or nominee for directorship, pursuant to which such director or nominee was selected as a director or nominee. Additionally, there are no family relationships among our directors, officers, or director-nominees. We know of no reason why any of the nominees may be unable to serve as a director. If any of the nominees are unable to serve, your proxy may vote for another nominee proposed by the Board. If for any reason any of the nominees prove unable or unwilling to stand for election, the Board will nominate alternate(s) or reduce the size of the Board to eliminate the vacancy.

Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the three nominees named above. If any of the nominees become unavailable for election as a result of an unexpected occurrence, your shares will be voted for the election of a substitute nominee proposed by our Board.

Our Recommendation

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE “FOR ALL” THE NOMINEES SET FORTH ABOVE.

Information about the Board and Corporate Governance

Board of Directors

The Board oversees our business and monitors the performance of our management. In accordance with our corporate governance procedures, the Board does not involve itself in the day-to-day operations of the Company. Our executive officers and management oversee the day-to-day operations. Our directors fulfill their duties and responsibilities by attending meetings of the Board, which are held from time to time.

The Board held five meetings during the year ended December 31, 2016. Each incumbent director attended at least 75% of the total of (i) the meetings of the Board held during the period for which he or she has been a director and (ii) the meetings of the committee(s) on which that director served during such period. Six of our current directors attended our 2016 annual meeting of stockholders. It is our policy to encourage our directors to attend the Annual Meeting.

Board of Directors Independence

Under the listing requirements and rules of the NASDAQ Global Market (“NASDAQ”), independent directors must compose a majority of a listed company’s board of directors. In addition, applicable NASDAQ rules require that, subject to specified exceptions, each member of a listed company’s audit, compensation and nominating committees must be independent within the meaning of applicable NASDAQ rules. Audit committee members must also satisfy the independence criteria set forth in Rule 10A-3 under the Exchange Act. Our Board has undertaken a review of the independence of each director and considered whether any director has a material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. In making this determination, our Board considered the current and prior relationships that each non-employee director has with our company and all other facts and circumstances our Board deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director. As a result of this review, our Board determined that all members of the Board, except Mr. Southwell qualify as “independent” directors within the meaning of the NASDAQ rules. Our Board also determined that our former directors, Dr. A.N. “Jerry” Karabelas, Mr. Isai Peimer, Mr. Ittai Harel and Mr. Martin Vogelbaum, satisfied the independence requirements, as determined in accordance with the rules of NASDAQ. As required under applicable NASDAQ rules, our independent directors meet in regularly scheduled executive sessions at which only independent directors are present. Mr. J. Martin Carroll is the current chairperson of our Board and is also an independent director and, as such, he is authorized to call an executive session for our independent directors. The purpose of these executive sessions is to promote open and candid discussion among the non-employee directors.

Committees of the Board

The Board has three committees: an audit committee, a compensation committee and a nominating and corporate governance committee. During the year ended December 31, 2016, our audit committee held four meetings, our compensation committee held four meetings, and our nominating and corporate governance committee held four meetings. Continuing directors and our nominees for election as director are required to attend the annual meeting of stockholders, barring significant commitments or special circumstances, and are also required to participate in our committee meetings. The following table provides membership information for each committee:

In making this determination, our Board has considered the formal education and nature and scope of their previous experience, coupled with past and present service on various audit committees. Nominating and Corporate Governance Committee

The members of our nominating and corporate governance committee are Richard N. Spivey, PharmD, PhD and Mr. Carsten Boess. Dr. Spivey serves as chairperson of the nominating and corporate governance committee. Our Board has determined that all members of our nominating and corporate governance committee are independent as independence is currently defined in Section 5605 of the NASDAQ listing standards. The nominating and corporate governance committee operates under a written charter that satisfies the applicable standards of NASDAQ and which is available on our website at www.inotekpharma.com. The inclusion of our website address here and elsewhere in this proxy statement does not include or incorporate by reference the information on our website into this proxy statement.

The responsibilities of our nominating and corporate governance committee include, among other things:

- developing and recommending to the Board criteria for board and committee membership;
- establishing procedures for identifying and evaluating Board candidates, including nominees recommended by stockholders;
- identifying individuals qualified to become members of the Board;
- recommending to the Board the persons to be nominated for election as directors and to each of the Board’s committees;
- developing and recommending to the Board a set of corporate governance guidelines; and
- overseeing the evaluation of the Board and management.

The nominating and corporate governance committee periodically determines the qualifications, qualities, skills and other expertise required to be a director and develops, subject to approval by the full Board, criteria to be considered in selecting nominees for director. Among other things, the nominating and corporate governance committee considers whether the Board reflects the balance of knowledge, experience, skills, expertise, integrity, ability to make analytical inquiries, and diversity as a whole that the committee deems appropriate. The nominating and corporate governance committee has not adopted a policy regarding the consideration of diversity in identifying director nominees. The process followed by the nominating and corporate governance committee to identify and evaluate director candidates includes requests to current directors and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and

interviews of selected candidates by members of the committee and the Board. The nominating and corporate governance committee may use outside consultants to assist in identifying or evaluating candidates. The nominating and corporate governance committee hired CT Partners Executive Search Inc. in April 2015 to identify or evaluate or assist in identifying or evaluating potential nominees. The nominating and corporate governance committee transitioned this work to Odgers Berndston Group in June 2015. Final approval of director candidates is determined by the full Board.

The nominating and corporate governance committee will consider qualified nominations for directors recommended by stockholders. In general, stockholder recommendations are evaluated on the same basis as any recommendation from members of the Board or management of the Company. Recommendations should be sent to our Secretary, c/o Inotek Pharmaceuticals Corporation, 91 Hartwell Avenue, Lexington, MA 02421. For additional information about our director nomination requirements, please see “Stockholder Proposals and Nominations” and our amended and restated bylaws.

Compensation Committee

The members of our compensation committee are Mr. Timothy Barberich, Dr. Gary M. Phillips and Richard N. Spivey, PharmD, PhD. Mr. Barberich serves as chairperson of the compensation committee. Mr. Carroll served on the compensation committee from June 2016 to September 2016. All members of our compensation committee are independent as independence is currently defined in Section 5605 of the NASDAQ listing standards and qualify as outside directors under Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”). The compensation committee operates under a written charter that satisfies the applicable standards of NASDAQ and which is available on our website at www.inotekpharma.com. The inclusion of our website address here and elsewhere in this proxy statement does not include or incorporate by reference the information on our website into this proxy statement.

The responsibilities of our compensation committee include, among other things:

- reviewing and approving corporate goals and objectives relevant to the compensation of our Chief Executive Officer;
- evaluating the performance of our Chief Executive Officer in light of such corporate goals and objectives and determining the compensation of our Chief Executive Officer;

- preparing the compensation committee report required by SEC rules to be included in our annual proxy statement;
- reviewing and discussing with management the compensation discussion and analysis to be included in our annual proxy statement or Annual Report on Form 10-K; and
- reviewing and discussing with the Board corporate succession plans for the Chief Executive Officer and other key officers.

As part of its process for approving or recommending to the Board the compensation for our senior executives other than our chief executive officer, the compensation committee reviews and considers the recommendations made by our chief executive officer. In fulfilling its responsibilities, the compensation committee may delegate any or all of its responsibilities to a subcommittee of the compensation committee, but only to the extent consistent with our amended and restated certificate of incorporation, amended and restated bylaws, Section 162(m) of the Code, NASDAQ rules, and other applicable law. In addition, pursuant to its charter, the compensation committee has the sole authority to retain compensation consultants to assist in its evaluation of executive and director compensation. Beginning in July 2015, the compensation committee engaged directly Willis Towers Watson (“Towers Watson”) as its compensation consultant to assist with matters relating to senior executive and director compensation. In October 2016, the compensation committee transitioned this work to Pearl Meyer & Partners (“Pearl Meyer”). The compensation committee requested that Pearl Meyer:

- develop a peer group of public companies to be used to benchmark pay levels of the senior leadership team and the board of directors
- benchmark the total direct compensation of the senior leadership team
- review the pay mix of the senior leadership team and compare it to the pay mix of the named executive officers of the peer group executive
- review the amount of equity used to support the executive and board pay programs and evaluate how this equity usage compared to peer practices and proxy advisory policies
- conduct a detailed analysis of the design and amount of board of director pay at the peer companies and contrasted this against the Company’s current practices

Pearl Meyer ultimately developed recommendations that were presented to the compensation committee for its consideration. These recommendations covered the executive and board pay programs.

Compensation Committee Interlocks and Insider Participation

Our compensation committee currently consists of Mr. Timothy Barberich, Dr. Gary M. Phillips and Richard N. Spivey, PharmD, PhD. No member of our compensation committee has ever been an officer or employee of the Company. None of our executive officers serves as a member of the board of directors or compensation committee of any other entity that has one or more of its officers serving on our Board or compensation committee.

Board Leadership

J. Martin Carroll currently serves as chairperson of our Board. Our Board has determined that its current structure, with separate Chairman and CEO roles, is in the best interests of the Company and its stockholders at this time. The Board believes that this governance structure promotes balance between the Board’s independent authority to oversee our business and the CEO and his management team who manage the business on a day-to-day basis. Our Board believes that this leadership structure is appropriate for us, given Mr. Carroll’s extensive experience with and knowledge of the pharmaceutical industry and his ability to effectively identify strategic priorities for the Company. Furthermore, our Board believes that Mr. Carroll’s qualifications to be our chairperson include his significant experience in leadership positions at pharmaceutical companies.

Risk Oversight

Risk assessment and oversight are an integral part of our governance and management processes. Our Board encourages management to promote a culture that incorporates risk management into the Company’s corporate strategy and day-to-day business operations. Management discusses strategic and operational risks at regular management meetings, and conducts specific strategic planning and review sessions during the year that include a focused discussion and analysis of the risks facing the Company. Throughout the year, senior management reviews these risks with the Board at regular Board meetings as part of management presentations that focus on particular business functions, operations or strategies, and presents the steps taken by management to mitigate or eliminate such risks.

Our Board does not have a standing risk management committee, but rather administers this oversight function directly through our Board as a whole, as well as through various standing committees of our Board that address risks inherent in their respective areas of oversight. In particular, our Board is responsible for monitoring and assessing strategic risk exposure, and our audit committee is responsible for overseeing our significant financial and operational risk exposures and the steps our management has taken to monitor and control these exposures.

The audit committee also monitors compliance with legal and regulatory requirements, including managing violations of our code of business conduct and ethics. Our nominating and corporate governance committee monitors the effectiveness of our corporate governance guidelines and considers and approves or disapproves any related-persons transactions. Our compensation committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking.

Code of Business Conduct and Ethics

We have adopted a code of business conduct and ethics that applies to all of our employees, officers and directors, including those officers responsible for financial reporting. The code of business conduct and ethics is available on our website at www.inotekpharma.com, under the corporate governance tab on our website. We intend to satisfy applicable disclosure requirements regarding an amendment to, or a waiver from, a provision of our code of business conduct and ethics that applies to our principal executive officer, principal financial officer, principal accounting officer, or persons performing similar functions, by posting such information on our website at the internet address set forth above. The inclusion of our website address here and elsewhere in this proxy statement does not include or incorporate by reference the information on our website into this proxy statement.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Company's stockholders are being asked by the audit committee of the Board to ratify the appointment of RSM US LLP to serve as the Company's independent registered public accounting firm. RSM US LLP has served as our independent registered public accounting firm since 2014. However, the Board believes that submitting the appointment of RSM US LLP to the stockholders for ratification is good corporate governance. If the stockholders do not ratify this appointment, the audit committee will reconsider whether to retain RSM US LLP. If the selection of RSM US LLP is ratified, the audit committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time it decides that such a change would be in the best interest of the Company and its stockholders. Representatives of RSM US LLP are expected to be present at the Annual Meeting. Non-Employee Director Compensation

The Company adopted a non-employee director compensation policy that became effective upon the Company's IPO in February 2015. The purpose of this policy is to provide a total compensation package that enables the Company to attract and retain, on a long-term basis, high-caliber directors who are not employees or officers of the Company. During 2016, for service on the board of directors, annual cash retainers were paid as follows: for board members, \$35,000, for the non-executive chairperson, \$65,000. This policy was amended in January 2017 such that in 2017, for service on the board of directors, annual cash retainers will be paid as follows: for board members, \$50,000, for the non-executive chairperson, \$92,850. In addition to cash retainers for service on the board of directors, additional cash retainers are paid for service on committees of the board of directors. For service on the Audit Committee in 2016 and 2017, annual cash retainers are paid as follows: for committee members, \$7,500, for the chairperson, \$15,000. For service on the Compensation Committee in 2016 and 2017, annual cash retainers are paid as follows: for committee members, \$5,000, for the chairperson, \$10,000. For service on the Nominating and Corporate Governance Committee in 2016 and 2017, annual cash retainers are paid as follows: for committee members, \$3,000, for the chairperson, \$7,500.

In addition, each new non-employee director upon his/her election to the Board will receive a one-time option grant to purchase shares of the Company's common stock, par value \$0.01 per share in such amount and on such terms as authorized by the Board, or by a committee appointed by the Board. On the date of each Annual Meeting of Stockholders, an annual option will be granted to each non-employee director serving on the Board immediately following the Company's annual meeting of stockholders to purchase shares of common stock in such amount and on such terms as authorized by the Board, or by a committee appointed by the Board.

All of the foregoing option grants will have an exercise price equal to the fair market value of a share of common stock on the date of grant.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than 10% of our common stock, to report to the SEC their initial ownership of our common stock and any subsequent changes in that ownership. Specific due dates for these reports have been established by the SEC and we are required to disclose in this proxy statement any late filings or failures to file. Based solely on our review of the copies of such reports furnished to us and written representations that no other reports were required during the fiscal year ended December 31, 2016, all Section 16(a) filing requirements for our most recent fiscal year were satisfied.

STOCKHOLDER PROPOSALS AND NOMINATIONS

Stockholder proposals should be addressed to our Secretary, c/o Inotek Pharmaceuticals Corporation, 91 Hartwell Avenue, Lexington, MA 02421.

The required notice must be in writing and received by our corporate secretary at our principal executive offices not later than the close of business on the ninetieth (90th) day nor earlier than the close of business on the one hundred twentieth (120th) day prior to the one-year anniversary of the preceding year's annual meeting. Provided, however, that in the event the annual meeting is first convened more than thirty (30) days before or more than sixty (60) days after such anniversary date, or if no annual meeting were held in the preceding year, a stockholder's notice must be received by our corporate secretary not later than the close of business on the later of the ninetieth (90th) day prior to the scheduled date of such annual meeting or the tenth (10th) day following the day on which public announcement of the date of such meeting is first made. Accordingly, for stockholder proposals to be brought before the 2018 annual meeting of stockholders, the required notice must be received by our corporate secretary at the address set forth above no earlier than February 20, 2018 and no later than March 22, 2018. Nominations not received within this time frame will be considered untimely.

In addition, any stockholder proposal intended to be included in the proxy statement for the next annual meeting of our stockholders must also satisfy the SEC regulations under Rule 14a-8 of the Exchange Act, and be received not later than December 26, 2017. Under Rule 14a-8, we are not required to include stockholder proposals in our proxy materials unless this condition is satisfied. Accordingly, any notice of stockholder proposals received after this date will be considered untimely. If the date of the annual meeting is moved by more than 30 days from the date contemplated at the time of the previous year's proxy statement, then notice must be received within a reasonable time before we begin to print and send proxy materials. If that happens, we will publicly announce the deadline for submitting a proposal in a press release or in a document filed with the SEC. Nothing in this paragraph shall be deemed to require us to include in our proxy statement and proxy card for such meeting any stockholder proposal which does not meet the requirements of the SEC in effect at the time. Any such proposal will be subject to Rule 14a-8 of the Exchange Act.

OTHER MATTERS

As of the time of preparation of this proxy statement, neither the Board nor management intends to bring before the Annual Meeting any business other than the matters referred to in the Notice of Annual Meeting and this proxy statement. If any other business should properly come before the Annual Meeting, or any adjournment thereof, the persons named in the proxy will vote on such matters according to their best judgment.
